Living Experience

Feel like home with us!

Guided by our core values, we are delivering excellent quality and lifestyle for all our clients to ensure customer satisfaction – come home to luxury.

Redefined...

About Us

UniCare group is a well-known name in the Real Estate Industry, Healthcare Industry, Media & Services Industry. We deliver the best products, services & 100% customer satisfaction. We are providing service in residential plots, flats, villas, farmhouses, farmland & township projects.

Established in 1998, the Unicare group work towards delivering contemporary designs for a luxury living style. Believing in the fact that a comfortable home does not require any sacrifices, we provide our clients with properties having the best amenities and neighborhoods.

Unicare group has always been a visionary source of providing a better lifestyle to clients through the premium services. Keeping in pace with the dynamics of real development, we have the ambition to come out with many revolutionary projects in the near future.

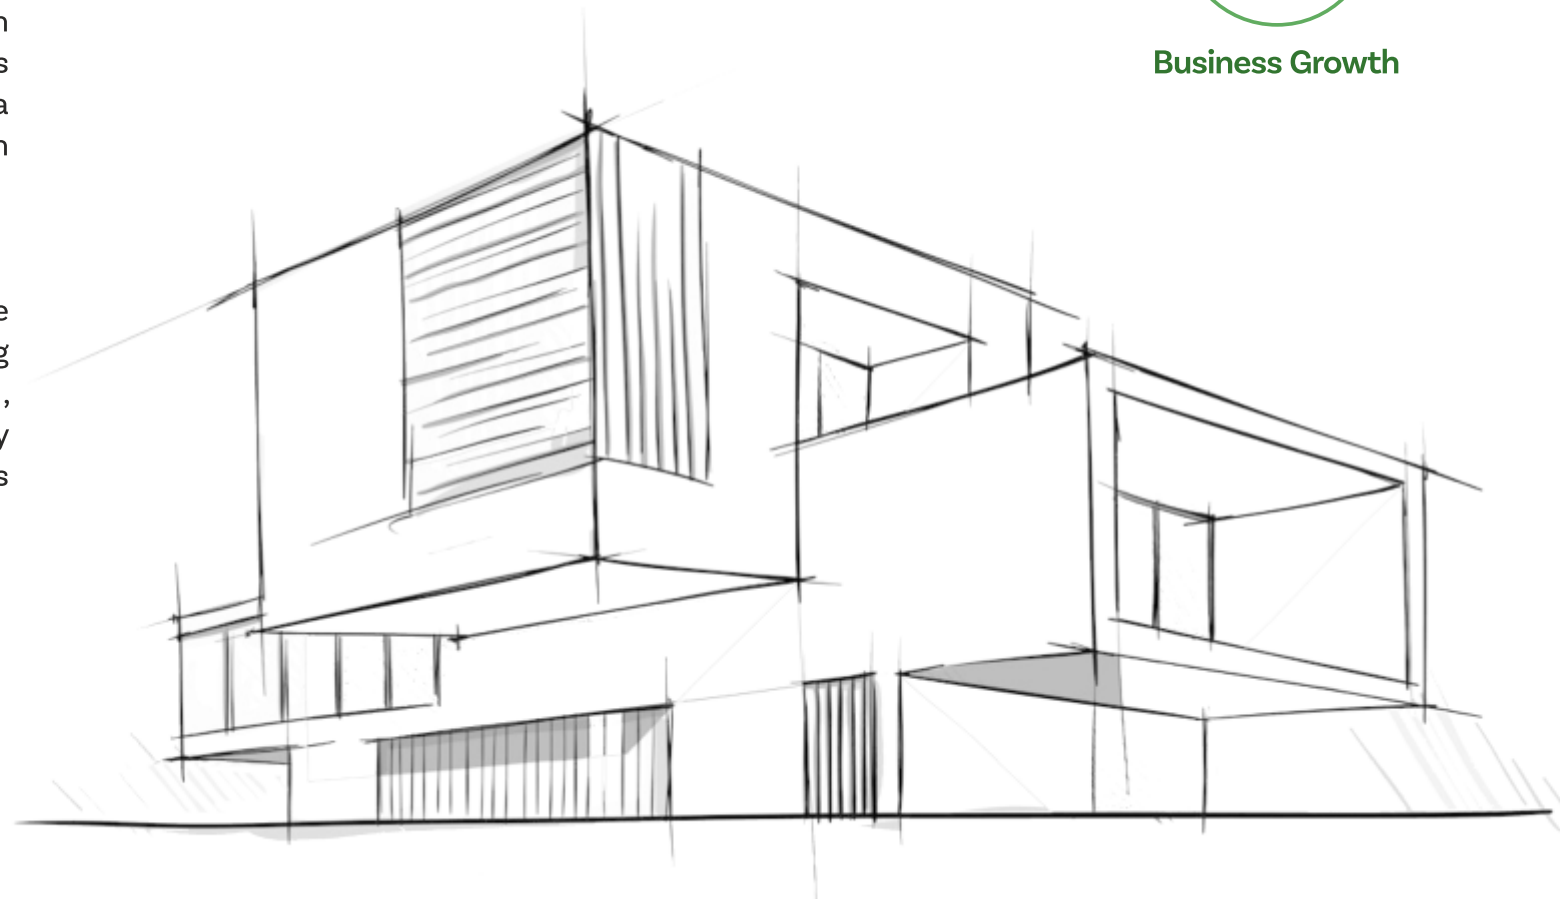

Our depth of understanding contemporary trends is a fine portrayal of our versatility in infrastructural development. The projects conceived by us will prove to be the vista of a new era and will achieve a rare significance in the challenging world of today.

Reasonable options are available for people to easily own a house without compromising on any factor related to location, connectivity, modern amenities and any other necessary requirement of a luxurious living experience and comfortable home.

Strong Vision

Facing Challenges

Reasonable Options

Quality Policy

Our clients are the focus of everything we do. We anticipate their needs, and create value in our products and services. Growth is our passion and our continual improvement revolves around 3 main objectives:

Client Satisfaction

Knowledge Sharing

Business Growth

CMD's Message

Mr. Navneet Mohan
MBA (Mktg)

*You get in life what you have
the courage to ask for!*

Our team is constantly working towards building dreams for all the clients. With our connectivity to modern infrastructure, we enable convenient designs for your comfort. Our collective efforts welcome you to the world of comfort and luxury.

With assured perfection, you will now no more be away from your dreams and can now watch your achievements come true. Let the dreams unfold in front of you as we build convenience, luxury and quality through our professionalism.

We have come a long way with our quality and transparency in work. By pushing our limits, we ensure the best efforts towards the development of India in terms of infrastructure and living standards in the country.
